Our goal with this training is to have it be the best in the state! Please fill in the questions below. Thank YOU!!

What specific training are you looking for? _____

Ask a engineer a question.

Is registerer planning on shooting? (circle one) YES NO

If yes . What gauge of shot gun will you be using? (circle one) 12 20

Hunters Pointe will supply shells.

Due to ammo being made cheaper it is recommended to not bring an old/worn shot gun as they wont eject the spent shells and have a clean well oiled gun.

PREPAY IS PREFERRED
