## FREE WORKSHOP

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with state regulations.

This class will cover everything from troubleshooting, teardown, rebuild & repair of the E-One Extreme DH & WH series pumps in a hands-on training atmosphere.

Please visit our website and check out our other training opportunities under the events tab where you'll find details on dates, locations, speakers, topics and much more.

On-site technical assistance is available from the Iowa Rural Water Association at no cost.
